 We the Children of
Benton Leach Jr. & Mary C. Leach
 Acknowledge the dedication, perseverance, love, and sacrifices
 giving by our Grandparents.

Truly, their steps were ordered by the Lord.

"And we know that all things work together for the good to them that love God, to them who are called according to his purpose. For whom he did foreknow, he also did predestinate...., whom he did predestinate, them he also called: and whom he called, them he also justified: and whom he justified, them he also glorified. What shall we then say to these things? If God Be For Us, Who Can Be Against Us? " Rom 8:28-31

MISSING YOU

Written by Mrs. Lillie McAllister Stewart, July 1998

"It seems so long since you have been gone away
 We miss you so much each and every day,
 The family is here with me and we don't forget to pray-
 We feel joy when we talk about the things you use to do and say-
 You visited the neighbors to see who was in need
 You were always doing some good deed,
 You made us happy; maybe sometimes a little sad-
 But you are still the best friend we ever had-
 I loved the way your gray hair glittered in the sun,
 In the late afternoon when your long day work was done;
 We remember how you use to laugh and chuckle loud
 You were so precious and so proud;
 You always had good advice for the young folks
 Whether school, religion, conduct or sports;
 Our friends and neighbors tell me they miss you so
 We all miss you: We sure hated to see you go,
 But we will meet again on land or in the sky
 Where there will be no more sorrow and no more good by!

ODE TO A LOVED ONE -WALTER TYSON STEWART, SR -Husband" July, 1998
 P. S. They were married sixty-one years, May 2, 1936 to May, 2, 1997

A MOTHER'S DAY POEM

Written by Ella Joyce Stewart
TO OUR BELOVED MOTHER: Mrs. Lillie McAllister Stewart
 Presented to Mama on Mother's Day, May 9, 2003 by daughters;
 Alice Faye, Brenda Delores, Doris Kay and Ella Joyce

She washed on a washboard.....Cooked on a wood stove;
 Cleaned the outhouse, Set traps for the mouse
 Gathered off the wood pile, walked a country mile
 To the tobacco field, then back to cook the midday meal,

 Mama worked side by side her man, never known to complain;
 Nursed babies, slopped hogs...canned vegetables in mason jars;
 Pulled plants, chopped cotton, listened to the Grand Ole Opry;
 Huh! As if there was ever time....with all those chores to grime?!?

She churned butter, went fishing, sewn dresses, did quilting;
 Filled oven with sweet potatoes ...found time to burp the baby,
 Cooked beans, Chicken pastry, biscuits, steak and gravy
 Potatoes pudding, meat loaf too, collard greens and fish stew

With soft eyes, warm smile...Mama rattled pots all the while;
 Don't think at eighty-four she's through.....She can still do what she use to do,
 Anytime Mama takes the notion....She whips up some love food portion.

We love you Mama for loving us & teaching us the Golden Rule
 To nourish with love, understanding, smiles and food!
