In our last meeting, we set a goal of trying to obtain \$6,000 before our next reunion. In order to meet this goal, we need your help.

Each branch, individuals, and/or immediate families are asked to decide how much of our goal you would like to pledge. Let **Ira Evans** know before the end of **2009**. Your pledge can be sent in parts or as one amount.

We will post the results to the website so all of us can see how we are doing with this goal. \$6,000 may seem like a lot for a person, but if each branch pledged a part of this, we can have this in no time. There are more than 20 branches to this tree. Please help us reach our goal. *Submitted by Sandra Butler*

Scholarship Funds

While we never really got the Scholarships off the ground, we do want to do better. All Stewarts who are interested in serving on the committee to recommend scholarships, please submit your name, telephone number to our president by the end of 2009. Your ideas are also appreciated.

We want to have a good system in place before May 2010—when the next newsletter comes out.

\$20 certainly doesn't go as far today as it did five years ago. Think about what you can do as an individual to help the family reunion. Get with your immediate family members and talk about pledging monies .

Where your treasure is stored is where your heart is. Can the Stewart Family Reunion count on you? Call **Ira Evans** with your pledge information. Ira is the grandson of Etta Stewart Melvin. His phone number is **917-687-2971**.

If you have ideas/suggestions, please come to the meetings so you can share.

We appreciate your patience and assistance in this effort.

This will not get done without some willing workers.
